BEERS

We may not have the most beers on one list in the country, maybe even the city, 'cause we're fine just having the best. If you see something we missed though, let us know. If you try something and you think it's terrible, let us know. We are the beer drinker's bar, we are here for you. We are not the beer aficionado's bar, not the beer novice's bar, not even the beer geek's bar, we are the beer *drinker's* bar.
